

Importing Fixtures for Coaches

Powered by [guidde](#)

Today we're going to explore how to import your fixtures from the FA as a coach using the app. This video demonstrates the process of searching for leagues and teams, selecting fixtures, and importing them for easy access.

01 Introduction To Fixture Importing

The import option is not available if your team is in a club as this is handled by the club admin. This Demo shows individual coaches who are not in a club how to import their FA fixtures

Select Matches

The screenshot displays the SquadTracker dashboard for a user managing 'Demo Team U9s'. The dashboard features a sidebar on the left with navigation options: Dashboard, Players, Matches (highlighted with a green box and arrow), Training, Statistics, Team Management, Account, and Policies. The main content area shows a 'Welcome back, single!' message and a summary of match results: 5 WINS (green bar), 2 DRAWS (yellow bar), and 0 LOSSES (red bar). Below this, a 'Next Match' section indicates 'No upcoming matches' with a 'Create Next Match' button. The dashboard also includes several statistics cards: 'TOTAL MATCHES' (7 This season), 'ACTIVE PLAYERS' (13 In squad), 'GOALS SCORED' (20, 2.9 per game), and 'ASSISTS MADE' (12).

03 Select Import fixtures

Then select Import fixtures in the top right.

The screenshot shows the SquadTracker interface. On the left is a sidebar with navigation options: Dashboard, Players, Matches (highlighted), Training, Statistics, Team Management, Account, and Policies. At the bottom of the sidebar, the user is identified as 'single t. Demo Team U9s' with a 'Sign Out' link. The main content area is titled 'Matches' and includes a sub-header 'Manage upcoming matches and view match history'. Below this are tabs for 'Upcoming' and 'History'. A search bar is located in the top right of the main area. The central message states 'No upcoming matches' and 'Get started by creating your first match.', with a '+ New Match' button. A green box highlights the 'Import Fixtures' button in the top right corner, with a green arrow pointing to it from the left.

04 Searching League And Team

Search for the league from the dropdown, then type your team name. You do not need to search for the whole team name. If there are multiple Teams with the same filter by age group by changing the All team filter

Import 3 Fixtures

08 Imported Fixtures Displayed (1)

Once imported, they'll just drop into your upcoming matches with the correct dates and you are ready to go.

The screenshot displays the SquadTracker interface. On the left is a sidebar with navigation options: Dashboard, Players, Matches (highlighted), Training, Statistics, Team Management, Account, and Policies. Below the sidebar, a user profile for 'single t.' (Demo Team U9s) is shown with a 'Sign Out' button. The main content area is titled 'Matches' and includes a sub-header 'Manage upcoming matches and view match history'. It features two buttons: 'Import Fixtures' and '+ New Match'. Below these are tabs for 'Upcoming' and 'History'. The 'Upcoming Matches' section shows '2 matches scheduled' and a search bar. Two match cards are displayed:

- Match 1:** Oppnent Team GreenU9s vs Demo Team U9s. Status: No Referee, Away • League, Scheduled. Score: 0 - 0. Date: Sat 3 Jan, 00:00.
- Match 2:** Demo Team U9s vs Oppnent Team Red U9s. Status: No Referee, Home • League, Scheduled. Score: 0 - 0. Date: Mon 3 Aug, 00:00.

Each match card includes a 'Tap a match to view details and record stats' instruction and three icons (share, edit, delete) at the bottom right.

This video shows how coaches can import past and future fixtures from the FA into the app, making upcoming matches readily available with accurate dates and opponents. For home and away matches
